

ALBANY CUP

SUNDAY 20 APRIL, ALBANY, CR7, 4.15PM, 2100M

1	 MR UTOPIA	Trainer – Steve Wolfe Forced to carry 60.5kg in this event, Wolfe's runner is in electric form but with no win above 1600m, Mr Utopia will need to call on his abundance of natural ability.	Jockey – Shaun McGruddy	Barrier – 7	Weight (KG) – 60.5
2	 SUMMAH'S TOUCH	Trainer – Adam Durrant Endured a troubled run as favourite in the Pinjarra Cup and was beaten 5.5 lengths accordingly, it would be wise to forgive because her best is very good, weight is the concern.	Jockey – Ben Paterson	Barrier – 4	Weight (KG) – 59.5
3	 BE SO RYSKI	Trainer – Robert Witten Fresh from an exciting win in the Narrogin Cup, Be So Ryski is in career best form although minor concerns are running out a strong 2100m.	Jockey – Craig Staples	Barrier – 6	Weight (KG) – 55.5
4	 AMELIA STORM	Trainer – Rod Kirkup Defeated by a nine length margin last start in the Narrogin Cup, Amelia Storm will have to improve sharply.	Jockey – Colin Haddon	Barrier – 13	Weight (KG) – 54
5	 DANECLICKED	Trainer – Vaughn Sigley It's not uncommon for DaneClicked to improve quickly as it builds with each run and that increase in performance will need to come here.	Jockey – Shaun Meeres	Barrier – 12	Weight (KG) – 54
6	 DESERT GLOW	Trainer – Grant Williams Hoping to improve on his gallant third in the Geraldton Cup, the Williams runner looks suited over the 2100m.	Jockey – William Pike	Barrier – 11	Weight (KG) – 54
7	 GALLIPOLI PRINCE	Trainer – Warwick Bradshaw Was excellent last start with a two length victory at this track and distance, if he can repeat that performance, Gallipoli Prince will be competitive.	Jockey – Kyra Yuill	Barrier – 9	Weight (KG) – 54
8	 GOLD BROKER	Trainer – Frank Maynard Has been the star of the country cup circuit in winning the Esperance Cup, second in Geraldton and a good third in the Narrogin Cup. Likely to settle on speed, Gold Broker looks hard to beat.	Jockey – Danielle Conroy	Barrier – 5	Weight (KG) – 54
9	 INSURGENCY	Trainer – Garry Delane Has been a touch off his best in the last two starts, but if he brings his best, will run out the 2100m very strongly.	Jockey – Jason Brown	Barrier – 8	Weight (KG) – 54
10	 MASTER ROBSON	Trainer – Rose Churchill Led unexpectedly last start but returned lame in the near fore, was previously very good in the Pinjarra Cup behind Malaika.	Jockey – Jerry Noske	Barrier – 1	Weight (KG) – 54
11	 NO TIME TO FLIRT	Trainer – Robin Elliott Form has been consistent recently, but does appear outclassed at this distance, although she can put in a cracking run every now and then.	Jockey – Clint Harvey	Barrier – 3	Weight (KG) – 54
12	 PECK	Trainer – Adam Durrant The second runner for Adam Durrant was outstanding off an eight month break last start; middle distance form in NSW was excellent and can turn the tables on Be So Ryski.	Jockey – Peter Knuckey	Barrier – 10	Weight (KG) – 54
13	 SHOOT FOR GLORY	Trainer – Paul Roberts Has been consistently placing at Saturday level without winning, comes in on the minimum here but will likely need a near on career best run to win.	Jockey – Troy Turner	Barrier – 2	Weight (KG) – 54
14	 STOMPIN (NZ)	Trainer – Steve Wolfe Has a massive 6kg swing on Gallipoli Prince but has rarely performed above 1800m, he does have a turn of foot to get him home if the speed is on.	Jockey – Jason Whiting	Barrier – 14	Weight (KG) – 54
